

Sea to Sky Meeting and Association Management Inc.

Managing Conferences, Events, and Associations, in Canada and around the World

POSITION SUMMARY: PROJECT MANAGER

ABOUT SEA TO SKY MEETING AND ASSOCIATION MANAGEMENT INC.:

Sea to Sky Meeting and Association Management Inc. (Sea to Sky) is an award winning company founded in 2001. Our core business is providing conference, event and association management services to associations and organizations around the world. Our clients include individuals, provincial, national and international associations, provincial and federal governments and corporations.

We provide our clients with “one-stop” shopping options for conference, association management, tradeshow, special event production, tours and registration services. Our association management services includes helping board members and executive directors develop and implement strategic plans, providing membership administration, retention and recruitment services, managing finances, raising funds, managing projects and programs, and streamlining processes and systems to make the organization more efficient and effective. Our in person conference and event experience varies from international conferences of up to 4,000 attendees, to a public festival of 8,000 visitors, and provincial and national annual conferences of 300 to 1,500 attendees. Our virtual event and online education experience consists of many forms: from virtual resource libraries, webinars, classrooms and fully accredited programs to virtual meetings, workshops, conferences and exhibitions.

THE POSITION:

Reporting to the President, the Project Manager is responsible for the management and successful delivery of Sea to Sky’s client projects (associations, conferences and events) and assists with office management and operations. Key responsibilities include, but are not limited to:

- Strategic management of event contracts from initial stage to final product including management of logistics, marketing, social media, sponsorship and exhibit management, budget development, financial reporting, pre and onsite registration, tours, spousal programs and special events, housing and committee management
- Strategic management of association management contracts from the routine and detail-orientated tasks to build a solid policy and procedural foundation tailored to meet the strategic goals and objectives of the association.
- Oversight of direct reports through setting goals, establishing timelines, and holding team members accountable to high quality work standards
- Monitoring timelines, operating systems, costs and quality levels of programs, projects and activities, and taking corrective action when need and/or recommending improvements

The candidate will work as a team player with Sea to Sky’s clients, colleagues and suppliers, be open to learning and contributing new ideas, deliver outstanding services keeping with the vision, values and strategic direction of Sea to Sky and our clients.

For this position, we require candidates to be able to work onsite in our North Vancouver office.

WHAT WE OFFER:

- An industry competitive salary and benefit package
- Flexible full-time and part-time work options
- Opportunities for national and international travel
- Dynamic and friendly team work environment
- Potential for career growth and support for ongoing professional development
